DIMENSION JUMP '98

WELCOME

On behalf of the organising team, welcome to **Dimension Jump '98**, the *Official Red Dwarf Fan Club's* annual weekend. This year's Dimension Jump promises to be the biggest and best *Red Dwarf* weekend known to man, woman and quagaar!

We extend a special welcome to those of you attending your first *Dimension Jump* - we're sure you'll have a fabulous time. *Dimension Jumps* are primarily get-togethers for fans to meet each other and have a good time whilst participating in events related to our favourite show. Apart from the organised programme, it is a pretty informal affair and tends to concentrate in or around the bar area. Any *DJ* team member will be able to help you regarding the convention - they are easily recognised by their name badges, bad dress sense, poor personal hygiene and the fact they keep hassling you to buy raffle tickets.

If you're a hardened *DJ*-goer you won't be reading this and will already be in the bar.

Please remember to wear your badge at all times as this is your passport to *Dimension Jump* and you will not be allowed into the programme rooms without it.

We hope you all have a brilliant weekend and I'll see you in the bar!

BLUFF YOUR WAY AT DIMENSION JUMPS

Welcome to Dimension Jump '98 and to the Britannia Adelphi Hotel here in Liverpool. So with your party pants and dancing shoes on - let's get ready for a brilliant weekend. So with your Dimension Jump booklet in hand get ready for a weekend you'll never forget - no matter how hard you try.

For all you first time attendees and those of you who were so drunk last year you've forgotten - Here's a list of top tips for you to read and remember.

OPENING CEREMONY

Always good to attend this. You'll be introduced to the Fan Club team - see how ugly they really are! We will also let you know about any changes to the programme and have a brilliant start to the weekend - with your chance to win loads of dwarftastic things!!

FOOD & DRINK

Eat lots. Drink more!! Just remember to do both! It is a bizarre fact of life that people always forget to eat at Dimension Jumps!

DISCO

Explains itself really - girls dance - guys prop up the bar! Everyone dances to *Tongue Tied* and Abba - yet another bizarre fact of life.

GUEST PANELS

Get your questions ready. They'll answer nearly anything!!! What do they really think of each other? Do they get paid enough? Can they recommend a good cure for halitosis - the usual sort of stuff!

REMEMBER

a. Not to hassle to guests - we don't want to scare them off.
b. Autographs are limited to one per guest per person - or they might get writer's cramp.
c. Be aware that others would like to take photos and speak to the guests too.
d. Behave yourself in the hotel - we may want to use them again in the future.

The nagging session is now over. So that just leaves enough room to introduce the Dimension Jump team.

Bev: Our Chairperson - for some reason she's married to Sean! If anyone attending is a counsellor please get in touch, she really needs your help.

Steev: Is a closet Eurovision Song Contest fan and will probably try to tell you all about the history of Danish entries - including points awarded and positions they finished in. We find walking away usually stops him.

Sean: His ego is getting bigger by the year - which is why we constantly have to get bigger hotels - just to find a room big enough to get his head in.

Caroline: Is actually a very nice person - no matter what Bev says about her. Her collection of antibiotic lotions and potions has stopped many an embarrassing moment escalating.

Rory: Is an eternal student - he's getting so good at it that he's turning professional next month. Rory is also a Timotei model in his spare time.

A pretty sorry bunch indeed. But then what do you expect from the only people to turn up at the Steps Appreciation Society's Annual General Meeting.
